Quarantine

A quarantine will be organised in the competition centre. It is compulsory for the participant to register in the quarantine before 11h15. A late arrival in the quarantine will lead to disqualification. The athletes will be roll-called for departure to the start 15 minutes prior their planned start time. Note that the distance to the start is approximately 1500m. 12 minutes should allow enough time to get to the pre-start at -3 minutes even when jogging very slowly.

Start procedure

Because the HE and DE courses contain butterflies, pay utmost attention at your startlines which will be separated in HE.1, HE.2, DE.1 and DE.2. and map numbers HE/DE1.1, HE/DE1.2. This is only applicable for this day. It is not applicable on the other competition days for those athletes participating those days.

Map:

Brouwhuisseheide:

I.O.F. standard

scale: 1/10.000

contour interval: 2,5 m
